CHORUS

I Love that feeling
I get when Yuh **right beside me**
Jesus, You are **right beside**
Oh Gosh you're **right beside me**
That Joyful feeling
I get when Yuh **right beside me**
Father, You are **right beside**
Holy Spirit's **right inside me**

VERSE

There's a fire in my bones
It's moving round
Let the spirit take control
Just let it grow
For the Son has set me free (Set me free)
And I'm truly free indeed (free indeed)
Brings a joy inside of me
For eternity

CHORUS

I Love that feeling
I get when Yuh **right beside me**
Jesus, You are **right beside**
Oh Gosh you're **right beside me**
That Joyful feeling
I get when Yuh **right beside me**
Father, You are **right beside**
Holy Spirit's **right inside me**

When I'm feeling down and low
Your Grace comes through
God I really need you more
True love restores
Holy Spirit clean me up
Fix me from the Inside out
All I really want to do
Is Stay close to you
